PROVE

PSC2 Keypad/Reader

The PSC2 (Prove Standard Combo) is a RFID reader and keypad. With minimalist aesthetics for interior installation and use in mind, the PSC2 is compatible with EM & HID 125kHz proximity cards and fobs.

- ▶ 10cm read range
- ▶ Automatically senses required output type
- ▶ Configured for enhanced Wiegand compatibility, suitable to replace and upgrade legacy Wiegand only readers
- ▶ In Presco mode the reader can be connected through low cost unshielded cable up to a kilometer away from the controller
- ▶ Audio and visual feedback for all inputs

126mm x 80mm x 17.5mm
150 mA. max, 9-14 Volts D.C.
(Not compatible with pre existing Presco installations configured in Wiegand mode)

Suitable for domestic and commercial use

19 million possible combinations

Locator pip for visually impaired

Compatible with Presco and Prescient controllers

Each unit factory tested with 5 year warranty included
